Dear Olivet Members and Visitors,

We pray this letter finds you and your family members in good spirits and good health! You are constantly in our prayers. **We Love You, We Miss You, and we are preparing to resume limited in-person worship services with you!**

We did a pilot "soft re-opening" of Bible Study on 5/26 & 5/27 and 10:45AM Sunday worship service on 5/24 with a limited number of attendees. Based upon our observations and feedback, we have made an adjustment to our plans for re-opening. We will continue with a limited number of attendees for Bible Study but will only have Ministry leaders attend Sunday services for the next few weeks to thoroughly establish the processes and procedures for in-person gatherings. Our primary focus is on the health and safety of all. Thank you for your patience and understanding.

Out of deep care and concern for our senior members and those with underlying medical conditions, we are making the following recommendation to those members:

- **Please refrain from attending services onsite until a safe and effective COVID-19 vaccine is widely available.**

Words of Encouragement from Bishop Adams – "Continue Ministering to the Local and Virtual Community"

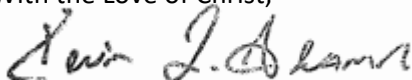

Despite the COVID-19 pandemic, we have been blessed to be able to continue to grow our church's ability to minister. If someone you know or meet needs to JOIN our church, tell them they can text JOINOBC to 55444. If they have decided to accept Christ, be baptized, or rededicate their life to Christ, they can text GETSAVED to 55444. Olivet Nation's new Virtual Church Campus ministry team will follow up with them to learn how we can best serve them.

We Need Your Contact Information – To make sure we can quickly communicate with you, we need everyone to please update their contact information. The easiest way to do this is simply text OBCMEMBER or OBCVISITOR to 55444. The system will allow you to complete the CONNECT Card to update your information. If you would rather email, mail, or call to give your contact information to the church, use the Contact Info sheet included in this mailing.

Preparations for Returning to In-Person Gatherings – It takes lots of planning and materials being put in place to return to in-person gatherings for a church like Olivet Nation. We have multiple locations and a large congregation. The enclosed "Preparations Being Made For Resuming Limited In-Person Gatherings" sheet gives further information.

Some Things to Expect When We Return – We will need to limit the number of people in the building and control the flow when entering and exiting the building at our locations. At 740 MLK, we will enter from the doors at the rear of the church and there will be tape on the floor to help maintain 6 feet between each person. The enclosed "COVID-19 Guidelines To Observe For Our Limited In-Person Gatherings" sheet gives further information. God Bless!
