

**BIG IDEA:** People Can Help My Faith Grow Deeper

**BIBLE LESSON:** Exodus – Moses and the Red Sea

**GAME:** Everyday, before the new lesson, there will be a review of the previous lesson. Be sure to pay attention!

**CRAFT:** Moses Parts Red Sea

**Materials:**

- Empty Cereal Box
- Scissors
- 2 Dark Blue Construction Paper
- Light Blue Construction Paper
- Pencil

**Instructions:**

1. Cut out either the front or back of the cereal Box (Save for a later craft this week).
2. Cut a wavy line onto BOTH dark blue pieces of construction paper. PLEASE NOTE: only one small edge should be cut of one side of each piece of construction paper.
3. Glue each piece of construction paper to a side of the cereal box leaving the center as an open path. If there is extra paper, fold it over the edge and glue the remaining construction paper to the back of the cereal box.
4. Draw LONG and SHORT waves onto the light blue piece of construction paper.
5. Glue the short waves onto the inside of the cereal box.
6. Glue the bottom half of the long waves onto the outside of the cereal box. The top half of the waves should be hanging off the top of the cereal box.
7. **(Parental Guidance may be needed)** Open the scissors and use one of the blades to

scrape across the top half of the long wave that is not glued to anything. This should create a curl in the top half of the wave.

8. Repeat step 7 for the remaining long waves.
9. Using a Black Marker or Crayon, write in the path of the sea, “People Can Help My Faith Grow Deeper”.
10. Fold the sides of the cereal box down and open it to show the parting of the Red Sea and to reveal the lessons BIG IDEA!
